Audience

This conference is designed for physicians and paramedical professionals engaged in primary care.

Educational Objectives

This program will provide information on the most recent advances on various topics in primary care.

- Practice evidence-based approaches to patients with epilepsy, with chronic back pain, and with allergies
- Describe medical practice in the corrections system; medical, infectious and surgical cases during the PMMA Samar Mission Trip; and tropical medicine cases in Minnesota
- Review the new food pyramid
- Differentiate epileptic versus non-epileptic episodes

- Become aware of laparoscopic procedures for obesity and GERD, endovenous ablation for saphenous vein reflux, new concepts in brain imaging, and facial rejuvenation techniques
 - Incorporate a better understanding of diabetes and hypertension into everyday practice
 - Review advances in critical care
- The second Dr. Lorenzo Trajano lecture will focus on facts and fallacies of female sexuality.

Accreditation

This activity has been reviewed and is acceptable for up to **12** prescribed credits by the American Academy of Family Physicians.

Accommodation

The Kalahari Resort & Convention Center is located in Wisconsin Dells, WI. A block of rooms has been reserved for a special rate. Hotel reservations can be made by phone **(877) 253-5466**. Please mention PMMA for the group rate.

Disclosure Policy

The content and views presented in this educational program are those of the faculty and do not necessarily reflect those of the sponsoring organization -- PMMA.

This program is in complete compliance with the Accreditation Council for Continuing Medical Education (ACCME) Standard of Commercial Support.
